

## Update from All Saints'

### Email to the Parish from The Venerable Christopher Dunn

23 March 2020

So, today's snow reminded me that I jumped ahead in the calendar talking about Spring weather. Here I thought we had turned a corner—we continue to hope.

Not a lot to report today. We are hearing more and more indications that this will go on for a while, and we are expecting more news in the next few days. I am pleased that most of our travellers are back home and now hunkered down in self-isolation.

I was at the Church for a while this morning helping with the Westboro Region Food Bank. Our numbers continue to be low, but we have realized that somehow there is misinformation out in the community saying that we are closed. We will see what Thursday brings.

So another prayer for this evening:

*Merciful God, your healing power is everywhere about us. Strengthen those who work among the sick; give them courage and confidence in all they do. Encourage them when they are overwhelmed with many pressing needs or when their efforts seem futile. Increase their trust in your power to bring life and wholeness even in the midst of death and pain and crying. May they be thankful for every sign of health you give, and humble before the mystery of your healing grace; through Jesus Christ our Lord. **Amen.***

Take Care and keep in touch.

Chris
