

Update from All Saints'

Email to the Parish from The Venerable Christopher Dunn

13 April 2020

Today was a much quieter day; a time to catch up on a few things administratively. An Easter Monday with a little bit of quiet time.

The only news to share tonight is about the parishioner that I told you about who was **COVID-19 positive**. The individual was placed on a Ventilator two weeks ago. Today, at 1:00 p.m., the medical staff removed the Ventilator and the individual is now breathing on their own. Their lungs need to build back strength, but this is a “huge step” as they say. The family knows that this will be a long-haul but the positive news is great and the prayers are working.

Tonight's prayer is from the Book of Alternative Services:

*Almighty and everlasting God, the comfort of the sad and the strength of those who suffer, hear the prayers of your people who are in any trouble. Grant to everyone in distress mercy, relief, and refreshment; through Jesus Christ our Lord. **Amen***

Stay well and stay strong

Chris
