

**Update from All Saints'  
Email to the Parish from The Venerable Christopher Dunn  
15 April 2020**

I suspect that most of us got up this morning to the shock of seeing snow on the ground. Yes, I realize it was only two centimetres, but I thought we were beyond this. Next thing you know, it will be icebergs floating in the Ottawa River; only thought about that one today because this is the 108<sup>th</sup> anniversary of the sinking of the **Titanic!**

So, I had an inspired thought today, but I don't know how it will work out. I am looking for some of our children/young people to do a drawing or painting that I can share with everyone on what COVID-19 isolation or physical distancing looks like from their perspective. I know—now I sound like the CJOH weather people. Let's see what happens, so email me a photo of your creation.

I was asked today to let you know that, if you did not receive the April edition of the **Crosstalk** newspaper from the Diocese, you can find the digital version on our webpage at: <https://www.allsaintswestboro.com/wp-content/uploads/2020/04/April-2020-Crosstalk.pdf>. How many photos did I submit to this edition?

Tonight's prayer:

*Lord Jesus Christ, you taught us to love our neighbour, and to care for those in need as if we were caring for you. In this time of anxiety, give us strength to comfort the fearful, to tend the sick, and to assure the isolated of our love, and your love, for your name's sake. **Amen.***

Have a good evening, stay warm, and stay healthy.

Chris
