

Update from All Saints'
Email to the Parish from The Venerable Christopher Dunn
24 April 2020

Normally when we get to late on Friday afternoon, we are excited and looking forward to a wonderful weekend break. I don't know about you, but right now one day just seems to run right into another. If I did not have my day planner, I would not know what day of the week this is. I suppose that I am still fortunate to have a few things that break up the "routine", like helping at the Food Bank twice a week, and I also know that on Friday I have to think of another silly Puppet story (sorry—did I say silly? I mean serious or thought provoking).

Because it is Friday, then, here is the link to this weeks' **Puppet story**. If it makes you smile, then I am happy. You will find it on the Parish Website or on the Facebook page at this link: <https://www.facebook.com/allsaintswestboro/videos/1111819909179634/>

Today's art comes to us from Sue who wanted to encourage her neighbours and friends with a little lawn sign.

Thanks, Sue, for brightening the lives of those who pass by.

Our prayer for this evening, while meant for children originally, is good for all of us. You fill in the name of a friend, loved one, or person that you are aware of:

*Dear God, _____ is ill. They are not allowed to go to school or come over to play. I'm sad because I miss them. They must be feeling miserable and lonely as well. Please be close to them. Please be with the people who are looking after them. Please help them to get better and to know that you love them.
Amen.*

Stay safe and Stay well,
Chris
