

Update from All Saints' **Email to the Parish from The Venerable Christopher Dunn**

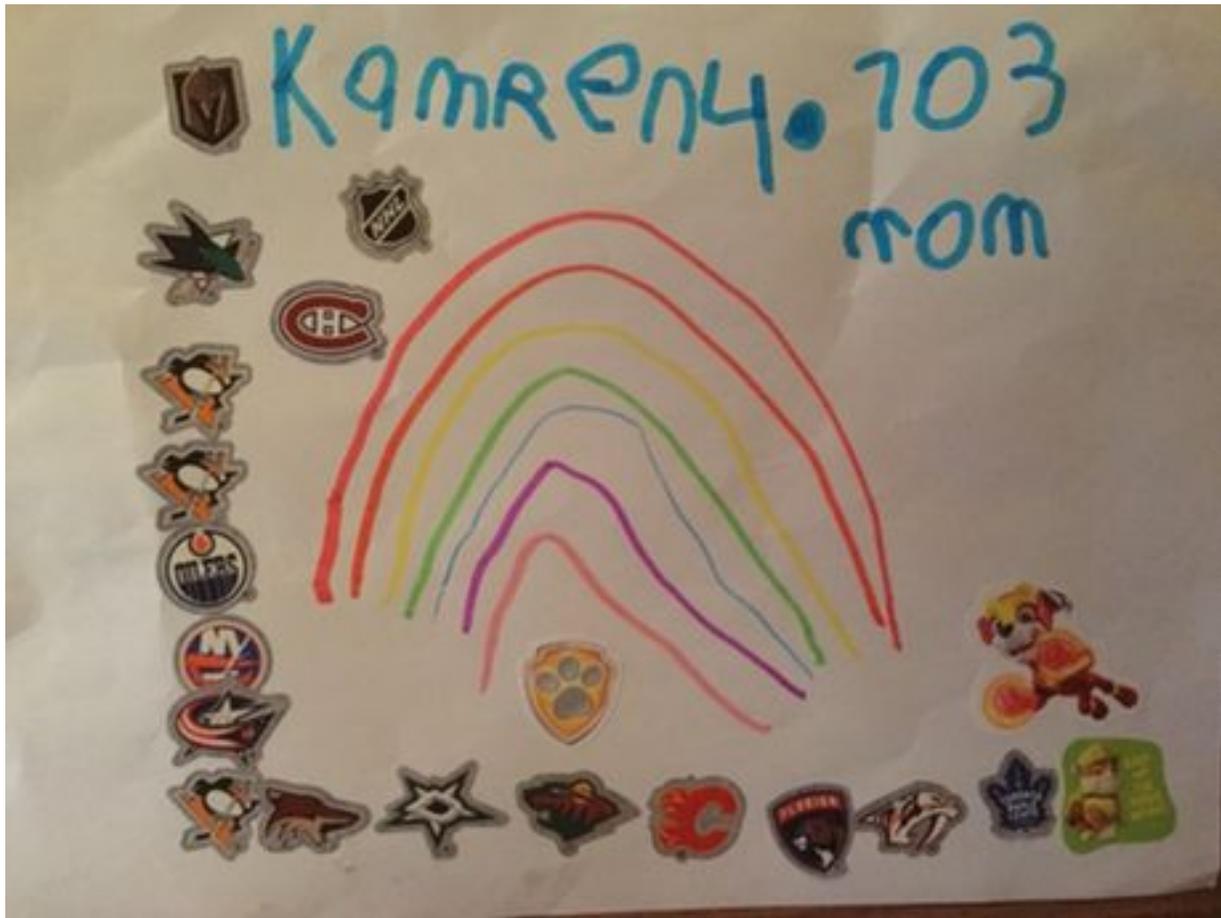

29 April 2020

This week is beginning to take on a theme; there is more news to share. At some point you are all going to rise up and say "stop the emails from coming" -- this is getting to be a little too much. This morning one of my many phone calls to a Parishioner ended with, "*see you on the other side!*"

I learned this morning that **Philip Seabrook**, the brother of the Rev. Carolyn Seabrook, died last evening at the Grace Manor. Philip had been living at the Grace Manor for 16 years; this was not a Covid related death. When I did my last service at the Grace, Philip was all smiles and playing his harmonica while I belted out the hymns. Philip is survived by his mother Doris (his father John died in November), by his brother Doug (Linda), and of course his sister Carolyn (Andrew) and their children Bronwyn, Chloe, and Ben. There are no arrangements at this time. Please keep Philip and all the family in your prayers this week. "Rest eternal, grant to him O Lord, and let light perpetual shine upon him."

My thanks to everyone for their support and concern, and for all the **expressions of sympathy** that have been coming in for Helen, Mike, and Devin. The family continues to move slowly through all the things that need to happen at this point, and they do appreciate the love and prayers that they feel are coming from everyone.

So tonight's **artwork** was prepared by Elizabeth's 3 year old grandson, Kamren. Elizabeth says that he "*made me a rainbow to put in my front window and as you can see parted with his precious hockey stickers, except for the Senators, which is his favourite team.*" Great job young Kamren.

Tonight's prayer:

"God of truth and justice, watch over your people in adversity, that we may know the wonders of your love and see the glory of your presence; through Jesus Christ our Saviour. Amen"

Are you ready for the rain -- the storm before the nicer weather comes along?

Be well,

Chris
