

Update from All Saints' **Email to the Parish from The Venerable Christopher Dunn**

20 May 2020

What a pretty day it was out there today. I headed out this morning and wandered through the **Tulips** (no I was not tip-toeing through the tulips) down at Commissioners Park by Dows Lake. I even had the opportunity to have social-distancing conversations with many of you as you also walked through the Park. I then ventured back to Mud Lake but the Owls and Owlets seem to have moved on.

Tonight, Adam has prepared another mid-week **Evening Prayer Service**. This one uses the Book of Common Prayer service and you will find the bulletin for the service in the attached PDF. The video is located on our Parish Facebook page and can be found at this link:

We learned today that there will be no summer festivals this year, so that will include the **cancellation of Westboro Fuse**. It is certainly going to be a very interesting summer.

Tonight's prayer:

"Loving God, by whose mercy the world turns safely into darkness and returns again to light: we place in your hands our unfinished tasks, our unsolved problems, and our unfulfilled hopes, knowing that only what you bless will prosper. To your love and protection we commit each other and all those we love, knowing that you alone are our sure defender, through Jesus Christ our Lord. Amen"

Stay well, stay safe, and enjoy the warm weather,

Chris
