

Update from All Saints'

Email to the Parish from The Venerable Christopher Dunn

1 May 2020

It struck me today that all of a sudden we have become a cashless society. I have had the same \$20 bill in my wallet for 7 weeks. Every time I go to a store they want my debit card; even for a \$1 purchase at the Pharmacy. Hummmmm.....

Today being Friday I prepared the **Puppet story** for this weekend. I know that this story will not be new to many of you, but I did add a little twist at the beginning. While I hope that the children will enjoy it, I know that there are also a number of adults waiting to see what will happen this week. So here is the link to the Parish Facebook page, but you will also find it on the Parish

I had an opportunity to sit down in the driveway to talk with Helen and Mike today. They are moving through all the different decisions that need to be made and are grateful for all the support from everyone; one foot in front of another at this point.

Tonight's prayer:

"God of truth, protector of your people, come to the aid of all who are frightened, poor and oppressed. By the power of your life-giving word lead us in the ways of peace and integrity, and give us the help we long for in Jesus Christ our Saviour. Amen"

Have a great weekend

Chris
