

## **Update from All Saints' Email to the Parish from The Venerable Christopher Dunn**

**3 May 2020**

It turned out to be a lovely day today. Blanche and I had a nice drive in the country, especially through Almonte and Pakenham. Spring has sprung!

So there is more news. I learned this morning of the death of **Frank Taylor** at the age of 87; his photo is in the attachment to this email. Frank was a long time member of All Saints' Westboro. Many of you will recall Frank and Shirley being the couple behind things like the Good Friday Stations of the Cross walk through Westboro. I remember the first few Good Fridays that I had in the Parish the big thing was finding Frank the wooden wagon to pull the big boom box that we used for our sound system. Frank of course was also a Diaconal Minister and participated in a number of other areas of Parish life. Frank has recently been living in the West End Villa Residence. This is not

a Covid illness. I want to extend our deepest thanks to Sally Lees, Peter Nichols, and Marcie Taylor for their wonderful care over these past few years for Frank. A Celebration of Frank's life will be scheduled in the fall when Covid restrictions are lifted. For now, please keep Frank in your prayers. "Rest eternal, grant to him O Lord, and let light perpetual shine upon him."

It was lovely to see so many of you at the Virtual **Coffee Hour** this morning -- there were some new faces that have not joined us before, so that is great.

Tonight's prayer:

*"Hear us, Lord, when we cry to you. Calm our bodies and minds with the peace which passes understanding, and make us radiant with the knowledge of your goodness and love; through Jesus Christ our Saviour. Amen"*

Stay strong and be gentle with yourself

Chris
