

**Update from All Saints'**  
**Email to the Parish from The Venerable Christopher Dunn**  
**18 October 2020**

Sunday afternoon and I am just relaxing with some football. Am I giving away a secret in saying that—I doubt it.

**The service this morning** was largely without technological challenges (except that I forgot to turn on my microphone for a while). It was great to have the opportunity to see many of you on the screen as you joined us by Zoom. While we were not able to talk with you directly it was good to see that in addition to the 31 people in Church there were 45 households that connected by Zoom.

If you missed the service this morning, you can find the link to it on our Facebook page at: <https://www.facebook.com/allsaintswestboro/videos/3516267161765702>

So, I trust that you will have a good week. I know that we are all still working out what you are allowed to do these days and what you shouldn't do—I do hope that you are taking care of your own mental health as we move through these uncertain times.

In the church's calendar, today is **St. Luke's Day**. Luke, the evangelist who wrote both the Gospel of Luke and the Book of Acts, is also the “beloved physician” who was concerned for the health of all and the abundant life that is offered.

So a prayer for this evening for St. Luke and for each of us:

***Almighty God, who inspired Luke the physician to proclaim the love and healing power of your Son, give your Church, by the grace of the Spirit and the medicine of the gospel, the same love and power to heal; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, now and for ever. Amen***

Please take care of yourself and stay well,

Chris
