

Update from All Saints'

Email to the Parish from The Venerable Christopher Dunn

24 January 2021

Before the big Football games this afternoon—it is the semi-finals of course—it is time to send a quick note. I must say the commentators are certainly not sure what to make of “cold weather.” They are worried because it is just below freezing; I guess they are not Canadians!

The Video recording of this morning's **Worship Service for the Third Sunday after Epiphany** is up on the Facebook page. We hear the story of Jonah and the “large fish” (never actually says a whale), and then the story of Jesus beside the Sea of Galilee calling Simon, Andrew, James, and John. It is hard to believe that we have now been in the latest version of the Provincial Lockdown for a month. I hope that you are hanging in there and staying well both physically and mentally.

A prayer for today:

O God of hosts, in your love your people find healing. Grant that the pains of our journey may not obscure the presence of Christ among us, so that we may always give thanks for your healing power as we travel on the way. We ask this through Jesus Christ our Lord. Amen

Take care

Chris
