Tonight's prayer is one that I received today from my Godfather's Parish of Holy Trinity in Seer Green, England:

God, I confess I have a tendency to worry or play it small, preferring to stick with what feels safe and comfortable. I doubt what You can or will do. But God, You created the Universe! You conquered death! There's nothing You Can't do. Please strengthen my faith and help me to trust in You for every one of my needs today. Amen

Take Care and remember, it is only 10 months to Christmas Eve!
Chris
