

Update from All Saints'
Email to the Parish from The Venerable Christopher Dunn
11 July 2021

I begin with a major apology. As many of you who were trying to join us over Zoom this morning realize, there were some significant problems with the audio portion of Zoom. Unfortunately, with Mark away on holidays, I did not realize how bad the situation was.

I have just been working my way through the recording of the service. While the video works without a problem throughout, the audio is like listening to someone in a tunnel. I have salvaged a few portions of the service (largely those where I was speaking) and brought them together in **the video on our Facebook page**. I am afraid it may be to frustrating for you to watch, but I will leave it there for a while. The music is gone, and sadly so are the parts that Edith, Patricia, Eric, and Jarrett participated in. If you choose to watch, I beg your forgiveness. You will find it at this link to our Facebook page: www.facebook.com/allsaintswestboro/videos/229105252391923

On another note, it was lovely to have 35 people join me at Church this morning and there was even room for more. Those who were present did not even hear any of the problems that were going on.

I hope to resolve the sound issues next week so please bear with us.

A prayer for today then:

Living God, you accept our stumbling faith, our misplaced answers, our false horizons, and through them you build a way of peace. Empower and enable us to bind the wounds of the world and loose the bonds of oppression, so that all may confess the grace that is your work alone; through Jesus Christ, your anointed one. Amen.

Take Care, and don't let technology frustrate you as much as it frustrates me.

Chris
