

Update from All Saints'
Email to the Parish from The Venerable Christopher Dunn
14 October 2021

So this week I start out with some news. Given the forecast for Saturday morning with 75% chance of rain we have had to decide that the In-Person **Village Fair/Bazaar is cancelled**. I know that many of you have been working so hard on this project for some time, but even with the additional tents or awnings we do not see a way to pull this off. We will of course continue our plans for the Virtual sale in November so watch for more details on that event.

We will gather for worship on **Sunday morning at 9:30**, celebrating the 21st Sunday after Pentecost (the season that keeps going and going). At this point there are 50 people registered for the in-person service and our capacity right now is 80 so there is still room to register. We have returned to a scaled down version of in-person Church School and the Puppet story returned last Sunday. We will of course still be providing the service over Zoom but feel free to join us in-person if you wish by registering using this link to our Website:

A prayer for today:

"Holy God, grant us the beginning of wisdom and love to cast out every fear: that we may grow more brave, more ready to hear, more ready to obey. Amen"

All the best as we head in to this fall weekend.

Chris
