Branches of Hope

UPDATE: Branches of Hope

A project of the PWRDF Working Group in the
Anglican Diocese of Ottawa
February 2024

What is the goal of this project?

We hope to see 500 trees planted in Canada and 500 more in Kenya. Inspired by the Communion Forest of the worldwide Anglican Communion, we are making Red Maple and White Spruce saplings available to parishioners of the diocese in time for the 2024 spring planting. Funds raised (through donation) will benefit our PWRDF partner in Kenya, Josephine Kizza

Is there a cost for saplings?

We estimate the cost of a sapling to be about \$20. Online donations are welcome via this link: pwrdf.org/branchesofhope.

How to obtain a sapling (or saplings)?

We encourage you to sign up before March 1st 2024. Each parish of the Diocese will have a sign-up sheet available.

What if I do not have a garden/property?

Saplings make great gifts to mark the birth of a child; an anniversary; or the life of a loved one. In collaboration with local authorities, consider planting a sapling on public land. Donations are welcome at pwrdf.org/branchesofhope.

Where can I learn more about Branches of Hope?

You may contact our project leader, the Ven. Patrick Stephens by email thereverendpatrickstephens@gmail.com or at PO box 426, Deep River, ON. KOJ 1P0.

For more information about Branches for hope, or to arrange to receive a free tree to plant in your community, please contact Patrick Stephens at: thereverendpatrickstephens@gmail.com
