TREES!! The Anglican Diocese of Ottawa's PWRDF Working Group is distributing tree seedlings (maple and/or spruce) while encouraging donations to support tree planting in Africa in collaboration with one of our partners, Jacqueline Kizza. These native trees will be counted as part of the Communion Forest initiative and will add to the health of local communities for generations to come. The Branches for Hope initiative also involves an opportunity to work with a PWRDF partner to help fund tree planting, along with other reforestation and sustainability initiatives in Uganda. Donations are easy via our portal: pwrdf.org/branchesofhope. The order date has been extended to mid February 2024.
