Soup for the Soul - A new initiative. For many who work during the day, an evening gathering of Soup for the Soul will be a monthly space to honour each other's stories. This is a created space where we can support one another through grief and loss of a family member or a loved one, transition with work, moving into retirement, or any other experiences of change. A circle of care that starts with a bowl of soup, shared table fellowship, and holding space for all of our stories. If you are interested, please respond to Rev. Chung Yan, so that I know if there are enough interested persons for a monthly gathering.
