Dear Sally, warm greetings from the family of Fikelela.

Please accept my sincere apologies for the delay in acknowledging funding received.

We have received your donation your blessing to us on 28 July 2026 R45506-91.

It has been a very busy period for us as we have been working without a social worker for the past 6 months. It was doubling up of responsibilities and to look after 37 children's files and information is quite a mammoth task.

Our new social worker starts on the 1 October 2026 and we cannot wait for her to arrive. The children at Fikelela are all well, we have 20 at primary school this year and 17 of them attending the daily ECD program.

We can share with you that our children are happy, joyful and always ensuring that they keep us on our toes. Our daily stimulation and development program runs very well, and it is so good to see the change in the children's development. Our new learning centre has just been completed thanks to a donation received last year. A space for the older children to do their homework/assignments/task and hopefully improve their approach and enthusiasm to complete their tasks.

I will share some pictures with you . Please do send our love from all of us and thank you for your generous support of the project.

With much love and thanksgiving
Bev
